

Spark Signs & Graphics - Boosting Business

Spark Completes Signs on Oxford's Main Floor

The new owners and management team of the [Oxford Athletic Club](#) in Wexford have done an amazing job in renovating the club. The main floor recently reopened and we helped with exterior signs, window graphics, a lobby sign, ADA and room markers, pro-shop graphics and privacy film for the wi-fi area. We were busy with other projects as well...

GRIT Athletix - Building Sign

GRIT ATHLETIX, a local sports and recreation venue in Pittsburgh, asked us to install a new building sign and interior glass graphics at their facility. GRIT renovated an existing building into a beautiful athletic center and a key ingredient to a grand opening was a feature sign on the exterior wall above the entrance.

Longwood at Oakmont - Lobby Sign

We recently installed this handsome wall sign at the entrance of the Oakmont Room restaurant located within the Longwood at Oakmont Retirement Community. We also applied an elegant vinyl pattern to the tall glass windows leading into the restaurant.

The Sheridan - Building and Wayfinding Signs

We fabricated these backlit channel letters and stood them off of a large pan frame for The Sheridan, the newest senior living care facility in the South Hills. We also crafted a handsome wayfinding sign that directs patrons into the facility parking lot.

Rockerz Flooring - Fully Wrapped Truck

We love wrapping Rockerz Flooring trucks and trailers because of the cool design that looks like a polished concrete floor. Keep us in mind to wrap your fleet vehicles. We're well versed at designing, printing and installing full and partial wraps, decals and magnets.

Lobby Signs for the Entire Year

We're proud of the large wooden logo we fabricated for Brunner this past summer. We wanted to share this again to show that our lobby signs look good in any season! What a beautifully decorated lobby!
