

LYNDON

ACADEMY

MISSION

At Lyndon, *The Future Is Our Priority*. Lyndon Academy is committed to the higher education of our youth, the cultivation of leaders and the development of the whole child. We dedicate ourselves to be an institution of excellence in providing high-quality education to children in pre-kindergarten through twelfth grade. In our caring and supportive environment, we strive to provide opportunities for children to flourish in the arts, languages and sciences while preparing them in a unique way for a successful college career. To ensure the success of our children and maintain our position as a regional leader in primary and secondary education, we set the bar high and dedicate ourselves to a unique delivery system with unparalleled accountability in all disciplines.
