

Loyal Customers of Ellen's Bakery & Café,

We will be open for business tomorrow!

8am-5pm for carryout and bakery counter service.

Breakfast, Lunch and limited Dinner Items.

For carryout orders we will take your order and payment over the phone and bring your order to your vehicle, to further limit virus interactions.

We are allowed only 5 people at a time into the bakery to service your bakery needs. We are counting down the days until we can see your familiar faces in our dining room once again.

Until then, we appreciate your support in advance. Stay healthy and happy.
