

## *To Our Valued Brasão Family*

*Like so many of you, we have spent the last several days and weeks learning about the coronavirus (COVID-19) and how it is impacting our world, and then making the necessary adjustments to our work and operations.*

*We have one simple objective that guides us: keeping you and our employees safe.*

*We are closely following the [Centers for Disease Control's \(CDC\)](#) guidelines and recommendations on the steps we can take to help prevent the spread of the virus.*

*We have shared specific instructions with our employees on the importance of washing their hands, disinfecting all high-touch points at increased intervals throughout the day and staying home if they feel sick or are returning from an area of the world identified as posing a coronavirus-related risk.*

*Per CDC recommendations, we will ask employees who have traveled to such locations or have been exposed to others who have traveled to such locations to self-quarantine for 14 days.*

*We will continue to closely monitor the situation and do all we can to protect you and our employees.*

***We know we will get through this together and look forward to continuing to serve you.***

*Please be safe.*

*Brasão Management*

# *New Hours Of Operation:*
