

Spark Signs & Graphics - Boosting Business

Golf Tee Signs: Conley Resort and Suncrest Golf

We wanted to share a few projects that we completed ahead of the virus pandemic. Please enjoy these project photos and stay safe and healthy.

These are two of 36 total golf tee signs that we produced and installed for Conley Resort and Suncrest golf courses. We printed artwork of the hole and yardage information on acrylic panels and fastened them with brushed silver caps to aluminum posts and panels. We also added a second changeable panel to include promotional advertising messages. You can learn more about both courses at [Play36holes.com](https://www.play36holes.com).

Check out some of our other work from March

North Way Church - Wall Graphics

This fun graphic is one of many that we installed at the new [North Way Sewickley](#) campus, which is set to open in the near future. We have more work to do and will share all of the various signs when the project is completed.

Vocelli Pizza - Monument Panels

Another project that has been partially completed is signage for the new [Vocelli Pizza](#) that will be opening at Cool Springs in Bethel Park. We got the ball rolling by placing panels in both existing monument signs.

BSA Basketball - Building Sign

We fabricated and installed multiple signs at Cook's Old Orchard in Gibsonia for [BSA Basketball](#). This is a building sign placed near the entrance to the facility. The others were panels on each side the entrance monument sign.

Schroeder Industries - Cabinet Sign

Many companies have existing sign structures that need updated panels. In this case, we provided a new polycarbonate face, complete with updated brand graphics, for [Schroeder Industries](#) in Leetsdale.

American Advertising Federation - Step & Repeat

When our friends at the [American Advertising Federation Pittsburgh](#) called with a need, we jumped on it. We provided this great step and repeat banner system that sets up easily and can be stored conveniently. They had it made for the 2020 ADDYS gala, which recognizes the area's outstanding creative achievement in advertising. The show was postponed due to the coronavirus but will be rescheduled.
