

Spark Signs & Graphics - Boosting Business

ReturnToWork Signage

As businesses head toward a partial re-opening and look to a 'new normal', many are thinking about social distancing signage to help keep employees and customers safe. All of the examples shared below are customizable in form, shape and color. Give us a call at 724-510-0677 to talk through social distancing graphics for your business. #ReturnToWork.

Exterior Entrance Signage

Communicate with customers to let them know you are open. We offer a variety of sign types, from banners to window decals, and sandwich board signs to floor graphics to name a few.

Help us, help you

Please follow all posted social distancing guidelines to help stop the spread and keep yourself and others healthy and safe.

We are in this together!

Window Graphics

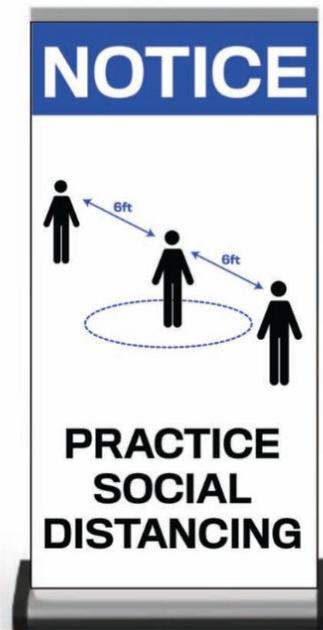

Tell your customers where you stand relative to the COVID pandemic. There are a variety of window graphic options, from posters to cut letters, to partial or full window coverage.

Floor Graphics

Floor graphics are a great way to lead customers in desired directions and to help them social distance. From squares to circles to other customized sizes, we can design floor decals in your brand color and even include your company logo.

Standing Signs

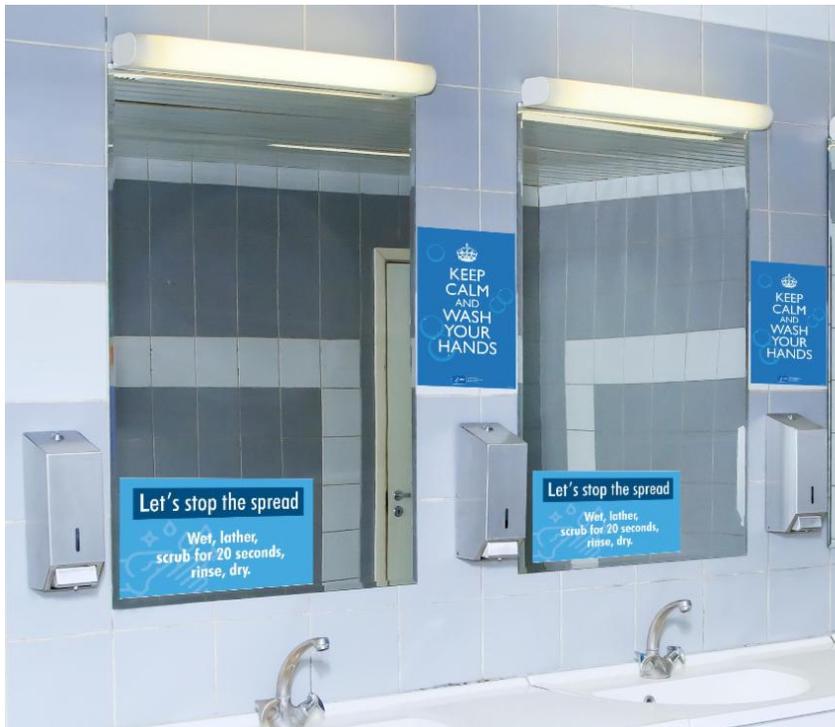

We offer a variety of stands to help you communicate your procedures relative to social distancing and what products you are offering at this time.

Elevator Bank Signs

For buildings with elevators, we offer customizable graphics for outside and inside the elevator.

Restroom/Mirror & Stall Signs & Graphics

Many companies will have rules that will help employees and customers social distance in restrooms. These graphics can also be made in different shapes, sizes and colors.

Employee Area Posters

Consider placing posters in common areas where employees can see them. From company policies relative to the 'new normal' to a simple and fun reminder to wash hands, we can print posters to any size.
