

Forte Financial Inc. Website COVID-19 Update

2020 has been a unique and challenging year. Each of us has had to make changes in our personal and professional lives to adapt to the current circumstances in our country.

As our area of Pennsylvania has entered the "Green Phase", which eases public restrictions and business closures, we want to let you know that Forte Financial Inc. is available to serve our clients' income tax preparation needs. We are also accepting new clients whose former Tax Professional may no longer be available to them. Our office is staffed during regular business hours, Monday through Friday 9:00 AM to 5:00 PM.

Forte Financial Inc is observing COVID-19 mandates: wearing masks, using sneeze guards, and cleaning contact areas frequently, as well as practicing social distancing.

Clients may choose to schedule their Income Tax Preparation appointment as they have done previously, during a private appointment with one of our staff.

Alternatively, they may drop off their documents at our New Brighton office at their convenience. Our accountants will prepare the income tax return as usual and send the documents to the client's home via standard mail, USPS. A letter of instruction and postage paid self-addressed envelope will be included in each packet to provide a clear and efficient means for our clients to complete their income tax obligations prior to the July 15th filing deadline.

Additionally, clients can mail their paperwork to our office directly at PO Box 172 New Brighton, PA 15066 to have their documents prepared. Thus, Forte also offers a "contact free" option for our clients.

We appreciate the loyalty of our clients and want to provide the best possible professional services during this difficult time. If you have any questions, please feel free to contact our office by telephone at (724) 846-0147 or via our website www.Fortefinancialinc.com
