

My name is Terry and I own the Blackbird Café and Tavern just outside of Evergreen in Kittredge. Our team was brainstorming ways in which we can give back to our community during the most recent COVID developments. I have school-aged children and have witnessed the constant changes and challenges that face our educators.

The Blackbird team thought it would be awesome to provide food comfort for our teachers and school support staff. We decided that we wanted to cook for them; dinner they could take home and pop in the oven without another thought. We also realized that there were probably other community members who wanted to do something to recognize this incredibly hard-working group. The Blackbird had done something similar for our local health care workers and found that many people were looking for an easy way to recognize the efforts of their fellow citizens!

The Blackbird plans to give back to our teaching community regardless of the community donations - we aren't looking to turn a profit - we are looking to provide a little bright spot for our team and our teachers. We want to give back - we want to cook - we want to share our food with our community. If this sounds like something that interests you, you can go to our website and click online ordering - from there you navigate to the donate to a teacher menu and select the amount that you are choosing. You can also call us and we can do it over the phone! The Blackbird will keep updates running on our Facebook Page and website. Keep in mind most of the dinners will be prepared and sent out in late January and February (when the holidays have passed, and the winter weather continues - just when they need it most).

We have a menu prepared for the teachers so that we can accommodate dietary preferences. If you have any questions about the process - please call us!! 303-658-0309 Here is the link to the online ordering system. Just click it and when you get there navigate down to the 'Donate to a Teacher' Menu. <https://www.toasttab.com/blackbird-cafe-tavern-25940-state-highway-74>

Thanks for taking the time to look over our idea!!
