## The Heart & Soul of Grandview

Since 1925, Grandview Café has occupied the corner of West 3<sup>rd</sup> and Grandview Avenue, providing residents with a walkable getaway. From the restaurant's inception during the prohibition era, to the jazzy days of the 50s and 60s, the changing fare from Greek to comfort, the vibe has been unique to the times, but the message of *community* has remained consistent.

When Grandview Café reopened in May 2017, our hope was to restore and preserve the integrity of this iconic neighborhood favorite that houses decades of tradition. To this day, Grandview Café celebrates the history that lives on through displays of vintage artifacts, the wood washed floors, sturdy leather suitcases lining the bar and upstairs library, wallpaper exposing years of change, storied reflection in the mirrors, and the ceiling that remains beautifully lit by a chandelier that is over a century old.
