Dear Parents of Prospective Students,

Village Pines School is pleased to open enrollment for the **61stth** year of operation! Priority of course is given to our current student families. We will focus on the continuation of Covid Smart routines and small class sizes to meet your students' needs in a creative nurturing way.

Below please find the **2021-2022** enrollment form for student registrations. **The enrollment form must accompany your registration. Registration Fees are non-refundable as they will confirm your child'd space..**

VPS will continue to offer a great Pre School full day program incentive and will be pursuing a Grade 6 virtual option. We will offer both on campus learning and a structured hybrid virtual program for all grades K-5. If Covid restrictions are lifted we hope to be back to on campus learning for all students! Of course we have all virtual options in place if a shutdown is necessary.

The registration fee for the 2020-2021 school year will be \$450.00 per student to secure a class spot.

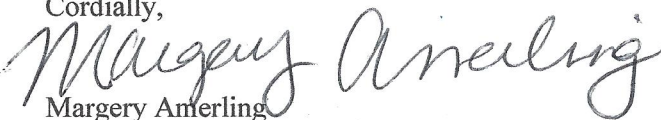

It is CRUCIAL for VPS to have early registrations for staffing, materials and planning purposes. Registration will be opened to all through our website and marketing on March 1, 2021. Class sizes will be capped for safety and to maintain our reputation of small class sizes and teacher/student ratio.

As you are all aware we are proud of our talented staff, our curriculums that can be accessed digitally and print to differentiate instruction to meet student needs. We will continue to meet all learning standards and expectations for the 21st century learner. Our goals of providing the best academic, social and emotional environment for each student continue to guide our everyday programs.

We strive for excellence and pride ourselves in continuing our school, family, and community relationships.

Thank you for your continued support and trust in VPS for your children! Remember that you are our best ambassadors to grow our school. A variety of scholarships will continue to be accepted and welcomed for students beginning in Grade K through Step Up for Students,

Cordially,

Margery Amerling
