

Dear Client,

We are filling up appointments and booking services well into the new year. Like always, we are so thankful to every single one of you for trusting in Thadra's Hair Cafe - especially over the past few years. Thanks to you, I am feeling more needed on the front end of the Salon with managerial roles as my stylists' books become more and more full. Therefore, **I will personally be increasing my prices to \$100 an hour with all services starting immediately. Any services booked prior to March 1st, will remain the same price. All NEW appointments will be subject to new pricing. This Is for Thadra Sauer appointments, only.**

My hope in doing so is to be able to refer clients to my stylists as I take a more proactive role in all things Thadra's Hair Cafe. Each stylist charges according to experience and expertise. You will find their prices in their booking pages. I am happy to help clients transition with any of my stylists by walking preferred stylist through our typical appointment as well as providing them with color formulas, styling preferences, etc. My recommendations for specialties per stylist are as follows:

Kaylynn: Specializes in hair extensions and highlights

Aylanna: Specializes in natural, curly hair and hair color services

Jessica: Specializes in cuts as well as hair extensions

Thadra's Hair Cafe as a whole appreciates all of you so much and look forward to your support as we continue to learn and grow this ever-evolving business.
