January 19, 2022

Dear Parents:

Village Pines School is pleased to open enrollment for the 63rd year of operation! Priority of course is given to our current student families. We will focus on the continuation of Covid Smart routines and small class sizes to meet your students' needs in a creative nurturing way. We are looking forward to our 2022-2023 school year back to our normal practices and open campus.

Below please find the 2022-2023 enrollment form for student registrations. **The enrollment form must accompany your registration. Registration Fees are non-refundable as they hold your student(s) place and are used for staffing forecast.**

VPS will continue to offer a great Pre School full day program incentive so that our littlest students have an exceptional school experience.. We will offer on campus learning for Pre K-Grade 5. We are very prepared as in the past with all curriculums able to be delivered virtually if needed. Our fees will remain the same although our costs like yours are escalating. We want VPS to be a viable option for all families for a quality private school education where each child is special!

For our students that have award scholarships, please be sure to apply for renewals as soon as available. Like VPS, the FL scholarship students are given priority until open applications process begins.

The registration fee for the 2022-2023 school year will be \$450.00 per student to secure a class spot for our enrolled students. Checks, cash, or credit cards are accepted.

It is advantageous to you financially and CRUCIAL for VPS to have early registrations for staffing, materials and planning purposes. We are already hosting tours of interested new families. Our great reputation is spreading!

As you are all aware we are proud of our talented staff, our curriculums that can be accessed digitally and print to differentiate instruction to meet student needs. We will continue to meet all learning standards and expectations for the 21st century learner. Our goals of providing the best academic, social and emotional environment for each student continue to guide our everyday programs.

We strive for excellence and pride ourselves in continuing our school, family, and community relationships.

Thank you for your continued support and trust in VPS for your children! Remember that you are our best ambassadors to grow our school. A variety of scholarships will continue to be accepted and welcomed for students beginning in Grade K through Step Up for Students,

Cordially,

Margery Ameling
Administrator
