Dear Parents:

Village Pines School is pleased to open and invite you to enroll for the **63rd year** of operation! Priority of course is given to our current student families. Open enrollment on our website will begin February 11, 2023. We also will be sponsoring open houses for prospective families in February and March. VPS seeks to continue to increase our student enrollments.

Below please find the **2023-2024** enrollment form for student registrations. *The enrollment form must accompany your registration. Registration Fees are non-refundable.*

**The early registration fee for the 2023-2024 school year will be \$450.00 per student to secure a class spot. EARLY REGISTRATION at a reduced rate will be available UNTIL FEBRUARY 10<sup>th</sup>, 2023. AFTER THAT DATE registration will be \$500.00 per student. VPS can also invoice your 2023-2024 registration on the February statement.**

**It is advantageous to you financially and CRUCIAL for VPS to have early registrations for staffing, materials and planning purposes. VPS is excitedly planning, depending on enrollment, to modify our classroom grade level bands facilitated by our fabulous veteran staff to keep teacher/student ratios small to meet student needs.**

As you are all aware we are proud of our talented staff, our curriculums that can be accessed digitally and print to differentiate instruction to meet student needs. We will continue to meet all learning standards and expectations for the 21st century learner. Our goals of providing the best academic, social, emotional and healthy environment for each student continue to guide our everyday programs. Key to this mission is our communication for “teamwork”.

Thank you for your continued support and trust in VPS for your children! Remember that you are our best ambassadors to grow our school. A variety of scholarships will continue to be accepted and welcomed for students beginning in Grade K through Step Up for Students with monthly copays determined once awards are received.

Cordially,

Margery Amerling
