Herbal pedicure:82\$

Everything come in the deluxe and premium. This pedicure features 100% natural ingredients and extracts. It includes fragrant essential oils, dried herbs

Golden hour:90\$

Golden Mystique offers a truly unique luxurious and relaxing spa experience. This six-step pedicure is the definition of self-indulgence. We will soak your feet with golden soak powder and roses petals to revitalize the skin and soften the cuticles and calluses. Next, we will exfoliate your feet with and golden sugar scrub, and work on your hard callus for the heels and feet. Golden masque will be massaged with hot steamy towels. Your feet will be rejuvenated after you get the full treatment of the Golden Mystique
